

Form of summary information to be provided whenever an aid scheme exempted by this Regulation is implemented and whenever an individual aid exempted by this Regulation is granted outside any aid scheme

Summary information on State aid granted in conformity with Commission Regulation (EC) 1857/2006

Member State United Kingdom.

Region England – Cornwall.

Title of Aid scheme or name of company receiving an individual aid

The HEATH Project.

Legal basis

The Natural Environment and Rural Communities Act 2006.

Annual expenditure planned under the scheme or overall amount of individual aid granted to the company

The annual expenditure under the scheme is estimated to be £110,000.

Maximum aid intensity

The aid intensity will be up to 100% which is in accordance with Article 5 of EC Regulation 1857/2006.

Date of implementation

The scheme will start on 17th November 2008 or once the summary form has been in possession of the European Union Commission for 10 working days whichever is later

Duration of scheme or individual aid award

The scheme will start on 17th November 2008. The last payment date will be the 31st December 2008 and the closure date of the scheme is 31st December 2008.

Objective of aid

The aim of the scheme is to develop a model of sustainable heath land management which will enhance the exceptional landscape quality and biodiversity in Cornwall. It also deals with conservation of the environment and landscape value, in accordance with Article 5.2 of the European Commission Regulation no. 1857/2006. The scheme will fund a number of capital works to conserve non productive agricultural features.

Sector(s) concerned

This project applies to SME's active in agricultural production.
